RECYCLING RATES

Materials Received	Material Recovered	Recycling Rate	Non-Recycled Material
<i>List materials received or planning to receive from Your Organization</i>	<i>What specifically is being recycled or recovered? (e.g. Cobalt from Lithium Batteries)</i>	<i>What % of this material is recycled?</i>	<i>If recycling rate is not 100%, what are the non-recycled products (slag, landfill, wastewater, etc.)</i>
Keyboards	Circuit board Non Metallics	100%	
Remotes	Metals	100%	
Telephones	Plastics	100%	
Circuit Boards			
ns, Frames, Cutoffs, F
